PERRINO

PREGIATA PASTICCERIA

1st PLACE AT “UNA MOLE DI COLOMBE”

The desire of the Perrino brothers, Damiano and Lorenzo, has always been to produce healthy 0km products for the customers of the two locations, Villa Regina and Villa Belvedere, in such a way as to guarantee both tasting and natural products, enhancing the local and genuine flavours. Thanks to the careful selection and transparency of the productive chain, the Perrino brothers manage to maintain a strong connection with the territory and gastronomic traditions.

For 20 years, Perrino has been synonymous with Fine Pastry Making. The production of pastries and panettone is actually an idea that has its roots in the past: the guests of Villa Regina and Villa Belvedere have always enjoyed the pastry chefs' delights, produced inside the laboratory. On the one hand, the experience gained in the selection of primary products and on the other the expertise and professionalism of the working team, have contributed to the creation of a high-quality pastry shop.

Tenuta Perrino. Furthermore, through Tenuta Perrino, Damiano and Lorenzo have been producing for years: an Extra virgin Olive Oil, two types of Wines (Greco di Tufo D.O.C.G. and Aglianico dei Campi Taurasi D.O.C.) and "Senatore Cappelli" hard wheat flour.
